

EXCITING NEWS! COME JOIN THE CELEBRATION! CONFERENCE FEE WAIVED FOR TRAINEES AND STUDENTS!

“In honor of the 60th anniversary of the founding of our institute, and in an effort to expand the awareness of BA to a new generation of psychotherapists, the IIBA Board of Trustees has decided to waive conference registration fees, except for a US\$ 75 administration fee, for all candidates in IIBA affiliated training programs, and all students who are registered in accredited graduate programs in mental health (a student ID will be required). This includes candidates in training programs who have completed the formal training but are completing other requirements for certification. The only condition for granting of the Conference fee waiver is that the **attendee must stay in the designated conference venue, the Chelsea Hotel in Toronto, Canada.**”

If you qualify you must first register with the hotel and get a receipt. Email the receipt to Pilar Llobregat at iiba.spain@bioenergeticanalysis.com and she will give you the code so you can register for the conference paying only the \$75 administration fee. Don't forget to also register for the Gala and even one of the pre-conference workshops.

To see more about the conference and to register for the hotel go to www.iibaconference.org and click on “the place”, then “the venue: Chelsea Hotel”, then “Hotel Booking”. It will send you to a page that says they have no rooms. Ignore that message and click on the return to check availability. That will take you to a page where you can get the IIBA room rate in CAD. This is a special rate for the Conference. Remember you must email your receipt to Pilar to take advantage of this amazing offer.
